Dear Parent or Carer

"Show My Homework" is an online tool which shows all of your son or daughter's homework and deadlines.

Show My Homework has now been launched with all Year 7 students and we hope that this service will provide you with an insight into how much and what type of homework your son or daughter receives. More importantly, we hope that it will improve your son or daughter's organisation and time-management skills and help them to keep on top of their workload.

Login details have been printed and attached to give you access to your own personal account, which is linked to your son or daughter's homework calendar. This will allow you to view what homework has been set, without having to ask! **Show My Homework** can also be accessed from our school's website www.westleighhigh.co.uk or at www.showmyhomework.co.uk

If you would like to get in touch to discuss this further please do not hesitate to contact Mr Harrison by calling school directly on 01942 202580.

Thank you once again for your continued support.

Yours faithfully
